Title:	Servant & Independent Contractor
Topics of Interest:	<ul style="list-style-type: none"> ● God ● Traveling ● Museums & Landmarks ● Music ● Oration ● Science ● Comedy ● Quality Time ● Spontaneous Fun

Introduction:

Chicago, Illinois - Stationed in Chicago, I am a 29 year old young man who has dedicated his life to ushering in a new paradigm that is friendly to all living species. I started this journey at the age of 19 once I entered the “real” world and quickly realized that I was unsatisfied with what was presented to me. I am accomplishing this by establishing The LBN Society, which is an organization that is centered around the philosophy of Maritime Law. Within this, I have incorporated a curated version of the United Nation’s Agenda 2030. This includes reform goals of all major industries that is designed to have a domino effect.

Life Goals:

The Maritime Law Handbook - With the first version releasing in September 2023, the Maritime Law Handbook will be a documentation of all laws from a philosophy of water. This book also contains a minimum breakdown of Masonry, the Platsia Project and Agenda 2030. This can be downloaded [here](#).

Platsian Dollar - This a fiat that is to be distributed locally throughout the country under the umbrella of the Platsian Dollar. Learn more by downloading the handbook [here](#).

Agenda 2030 - This is a dialogue of at least 10 topics on all aspects of life. It is discussed for a common resolution, or reference point, to be agreed on. This can also be found in the handbook [here](#).

Platsia Bank & Wallet - This will be a combination of both local currency and cryptocurrency. The full layout can be found in the Maritime Law handbook [here](#).

The LBN Society App & Marketplace - This is a seller’s platform as well as a general app for the LBN Society. Learn more [here](#).

Platsia Wireless - This is a bill indorsed cell phone service that is integrated into the government as part of it's free physiological needs faction. Learn more [here](#).

Onyx Theatre - A music streaming service that is also catered to movies and audio films.

Dawning Clothing - A clothing brand that is based off the hebrew alphabet pictographs from 2021.

Albums & Films - With the last studio album, Now or Never, the remaining albums of the Before Sunrise series is Pride, Love, Soul and two later TBD albums. Purchase the latest album [here](#).

Paintings - A journey was started in March 2021, where a breakdown of each hebrew letter was held as well as ESP readings weekly to coincide with a developing spiritual journey. This has since evolved into a continued journey of the building of a tarot deck byway of paintings, having the major arcana series complete and for sale [here](#).

Sand Clippers - A new innovative design on the traditional hair trimmers with a straight blade, whereas the Sand Clippers being bent to help assist with sideburns.
